Director Robert Levine
Director Dr. David Cobb
West County EMS & Fire Protection District

I hereby submit my voluntary letter of resignation from the Board of Directors of West County EMS & Fire Protection District. This resignation will be effective upon acceptance by you as the remaining Directors of the District.

I have dedicated my best efforts over these past 14 years to serve the District, its employees and the citizens to develop a Fire District that is second to none. I feel that I, along with my fellow Board members have accomplished if not exceeded the goals which we set out to achieve.

As you know, I have a very demanding professional career which I must acknowledge as my first priority. The demands of my professional career have expanded and will continue to expand to the point that I am concerned that I would not be able to devote the time necessary to adequately discharge my duties as a Director.

I sincerely regret this decision, but I wish you and the well qualified employees of the district the very best in the interest of public safety. If you need anything in the future, please do not hesitate to ask, I will always be at your disposal.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Rogman".
